Agenda item 6

Change in management structure

Fugro has decided to change its top structure with effect from 1 May 2019 and wants to give shareholders the opportunity to discuss this.

In November 2018, Fugro presented its update strategy 'Path to Profitable Growth'. To accelerate implementation, Fugro will simplify its top structure by introducing a regional model with four regions directly reporting to the Board of Management. Instead of two divisions represented in five regions there will be four integrated regions, effectively removing a management layer. Within the regions, the current business line structure will be maintained: marine site characterisation, marine asset integrity, land site characterisation and land asset integrity. In addition, an Executive Leadership Team ('ELT') will be established which comprises, besides the Board of Management, the four Regional Group Directors, a Group Director Digital Transformation & Innovation, the Group Director Human Resources and the General Counsel. The Board of Management will continue to consist of three members: Mark Heine, CEO (if reappointed by the AGM on 26 April), Paul Verhagen, CFO and Brice Bouffard, Chief Development Officer, with a focus on the global business lines, sales & marketing and operational excellence.

The Board of Management will manage the company together with the ELT, which shall be collectively responsible for the performance of the company, the implementation of the company's strategy and group wide policies, systems and processes. Certain statutory and corporate matters remain the sole responsibility of the Board of Management. Furthermore, the Board of Management shall be fully accountable for the actions and decisions of the Executive Leadership Team and have ultimate responsibility for the company's business and affairs.

The change of the top structure is meant to accelerate the 'Path to Profitable Growth' strategy implementation by enhancing alignment of senior management, creating more focus on the strategic and operational priorities and getting additional synergies, efficiencies and cost savings. The size and composition of the ELT are subject to approval of the Supervisory Board. The remuneration structure for the ELT members will be similar to that for the Board of Management and the remuneration, including short and long term incentives, will need approval from the Supervisory Board. The diversity policy will be adjusted so that it also applies to the ELT. The Supervisory Board will regularly invite ELT members to its meetings with the Board of Management.

The adjusted regional model and management structure will be implemented with effect from 1 May 2019. Amended rules of procedure of the Board of Management/Executive Leadership Team and the Supervisory Board, to include the functioning of the ELT, will be published on Fugro's website.

Agenda item 7

Composition of the Board of Management: Reappointment of Mr. Mark Heine (CEO)

Mr. Mark Heine was appointed for a first term of four years as a member of the Board of Management at the AGM held on 30 April 2015, and his term of office will end after the AGM on 26 April 2019. Mr. Heine is eligible and available for reappointment. The Supervisory Board proposes to reappoint Mr. Heine as a member of the Board of Management for a period of four years with effect from 26 April 2019, ending by close of the AGM to be held in 2023.

Mr. Heine started his career at Fugro in 2000 as geodesist on various onshore and offshore survey projects. As of 2002 he fulfilled several management roles in the Survey division with increasing responsibilities, allowing him to build up substantial international experience, both regarding the onshore and offshore business of Fugro. From 2012 he served as regional director Europe-Africa for the Survey division. In 2013 he became director of the Survey division and member of Fugro's former Executive Committee. In April 2015 he was appointed by the shareholders meeting as member of the Board of Management.

In the past four years Mr. Heine has proven to be a valuable member of the Board of Management. When Fugro's organisation was changed as of 2017, he became director of the Marine division. When his predecessor, Mr. Løseth, stepped down as CEO per 1 October 2018, the Supervisory Board appointed Mr. Heine as his successor. He also played an important role in the development of Fugro's 'Path to Profitable Growth' strategy. If Mr. Heine is reappointed, he will continue to serve as the CEO of the company.

Biographical details of Mr. Heine can be found in the 2018 annual report on page 56.

The main elements of the management services agreement with Mr. Heine are available on Fugro's corporate website: www.fugro.com.

Details on Mr. Heine's holding of Fugro shares and options can be found in the 2018 annual report on page 96.

In accordance with its profile and rules, the Supervisory Board proposes to reappoint Mrs. Montijn as member of the Supervisory Board for a second four-year term.

Agenda item 9

Reappointment of auditor to audit the 2020 Financial Statements

The General Meeting is the corporate body authorised to appoint the (external) auditor that will audit the financial statements of Fugro. Ernst & Young Accountants LLP (EY) was first appointed in 2015 to audit the 2016 financial statements. At the AGM held on 26 April 2018 EY was reappointed to audit the 2019 Financial Statements. In 2018, the audit committee conducted an independent assessment of the performance of the Fugro's external auditor, EY, over the past year. Following such assessment, it is proposed to again appoint EY as external auditor.

In line with the recommendation of the audit committee and in line with applicable legislation, the Supervisory Board proposes to reappoint EY to audit the 2020 Financial Statements.

Agenda item 10a

Authorisation of the Board of Management to grant or issue (rights to acquire) shares

It is proposed that the Board of Management be designated, in accordance with section 2:96 of the Dutch Civil Code, as the corporate body which is authorised for a period of 18 months as of 26 April 2019 until 26 November 2020, to, subject to the approval of the Supervisory Board, resolve on the issue of – and/or on the granting of rights to acquire ordinary shares and/or all sorts of financing preference shares in which the authorised capital of Fugro is divided at the date of the relevant resolution. The authorisation of the Board of Management with respect to the issue of ordinary shares and financing preference shares and/or the granting of rights to acquire ordinary shares and financing preference shares will be limited to 10% of the issued capital of Fugro at the time of the issue and, in addition, a maximum of 10% of the issued capital of Fugro at the time of the issue in connection with or on the occasion of mergers, acquisitions and/or (strategic) alliances. If granted, this authorisation will replace the authorisation granted at the 2018 AGM.

Agenda item 10b

Authorisation of the Board of Management to limit or exclude pre-emption rights in respect of shares

Further, it is proposed that the Board of Management be designated, in accordance with section 2:96a of the Dutch Civil Code, as the corporate body which is authorised for a period of 18 months as of 26 April 2019 until 26 November 2020 to, subject to the approval of the Supervisory Board, limit or exclude pre-emption rights in relation to any issue or grant of (rights to acquire) ordinary shares and all sorts of financing preference shares in which the authorised capital of Fugro is divided at the date of the relevant resolution. The authorisation of the Board of Management with respect to the limitation or exclusion of pre-emption rights in relation to any issue or grant of (rights to acquire) ordinary shares and all sorts of financing preference shares will be limited to a number of ordinary shares and financing preference shares amounting to 10% of the issued capital at the time of the issue and, in addition, a maximum of 10% of the issued capital of Fugro at the time of the issue in connection with or on the occasion of mergers, acquisitions and/or (strategic) alliances. If granted, this authorisation will replace the authorisation granted at the 2018 AGM.

The authorisation of the Board of Management to issue shares and limit or exclude pre-emption rights is an annually recurring item because the Board of Management considers it in the interest of Fugro and its shareholders to be able to react in a timely manner when certain opportunities arise that require the issue of shares. Therefore, the Board of Management would like to have the authority to issue shares when such occasions occur, and to exclude the pre-emption rights in situations where it is imperative to be able to act quickly, without having to request the prior approval of the Fugro's shareholders, for which an extraordinary shareholders' meeting would have to be convened which would take valuable time or create disruptive market speculations.

Agenda item 11

Authorisation of the Board of Management to repurchase own shares

It is proposed that the Board of Management be authorised, in due observance of the statutory requirements, for a period of 18 months as of 26 April 2019 until 26 November 2020, to, subject to the approval of the Supervisory Board, cause Fugro to repurchase (certificates of) its shares in its own capital, up to a maximum of 10% of the issued capital at the date of acquisition, provided that Fugro will hold no more (certificates of) shares in stock than at maximum 10% of the issued capital, either through purchase on a stock exchange or otherwise, at a price, excluding expenses, not lower than the nominal value of the shares and not higher than 10% above the average of the closing price of the certificates of the shares on Euronext Amsterdam for the five business days preceding the date on which the repurchase is made. This authorisation to repurchase (certificates of) own shares, provides the Board of Management the required flexibility to fulfil its obligations deriving from employee option and share plans, stock dividend or for other purposes. If granted, this authorisation will replace the authorisation granted at the 2018 AGM.

The agenda, the explanatory notes to the agenda and other meeting documents are available on Fugro's corporate website:
www.fugro.com/about-fugro/corporate-governance/shareholder-meetings.
